

Industrial Supply Solutions, Inc.®

ISSI is the largest industrial distributor in North America for Fenner Dunlop, who is the world's largest belt manufacturer.

We can handle any component on the conveyor through ISSI direct relationships with the manufacturers. Pulleys, Idlers, Motors, Belts, Scrapers, Reducers, Bearings, etc.

We always leave the area cleaner than when we arrived.

The ISSI® Advantage

- All ISSI technicians are full-time ISSI employees
- All ISSI technicians are trained, certified and approved by Fenner Dunlop for Georgia Duck & Scandura brands including finger splicing
- All ISSI technicians are trained and approved by Flexco, Continental & Precision
- All ISSI technicians are MSHA Part 46 Certified
- 1 year warranty on ISSI vulcanized splices
- \$4,000,000 of General Liability Insurance
- Every worker covered for \$500,000 by Workers Comp Policy
- Random drug testing done on each worker and after any incident
- ISSI technicians can provide monthly belt inspections at your request to keep downtime to a minimum

- 75 years experience
- 16" - 85" vulcanizers
- On-site pulley lagging – ceramic or rubber
- Vulcanizers up to 84" belt width
- Full-time belt scraper crew
- Belt scraper maintenance
